Boat Ramp Annual Permit Application
Tucker Street
Residents Only

This permit **expires April 30, 2017** per City Code [Section 15.20.110.A](#).

The [Fee Resolution](#) each year aligns **all** annual permits (Boat Ramp, Mooring, Trailer, Street End Parks, etc.) to the same annual boating season as has been defined in City Code, [Section 15.20.110.A](#).

Consequently **any** permit issued under the authority delegated to the Harbormaster by Annapolis City Code becomes valid the day it is issued and will expire on the next following April 30th. However, this does not include building permits for piers, bulkheads, dredging, etc. also issued under [Title 15](#) through the Board of Port Wardens.

A boat-trailer permit is available for Annapolis Residents **ONLY!** Permits may be purchased in person at the Harbormaster's Office or at the "Pip" Moyer Recreation Center. Permit holders agree to abide by all rules, regulations, and laws governing the use of the harbor, the park, parking area, and launch facility. Permit fees are subject to change annually per the Annapolis City Council fee schedule. **Lost permits will not be reissued. A new permit must be purchased.**

The Tucker Street boat ramp features a single, stabilized, gravel ramp with no finger piers. The ramp is open during the daylight hours. Please note that this ramp is not capable of large boat use, and there are no restrooms available. The permit must be displayed on the tongue of the boat trailer. There is parking for boat trailers **ONLY** on Tucker Street between Melvin Avenue and Monterey Avenue in the diagonal spots adjacent to West Annapolis Elementary School.
